MILK OPTIONS

We have a range of dairy alternatives. Simply ask in-store for your choice of alternative which can be used in any of our drinks. Choose from Lactose-Free, Soya, Coconut (contains soya), Almond and Oat Milk.

OUR EXCLUSIVE BLEND

We have our own exclusive blend of beans which we use in all of our coffees made from a 5-origin selection from Brazil, Ethiopia, India, Vietnam & Colombia.

SWISS WATER DECAF

We don't use methylene chloride for our decaf coffee (known as MC), we only use Swiss Water method to extract the best from our dark roast, decaf coffee.
